# MENTOR-PROTÉGÉ

Marshall Miller & Associates, Inc. (MM&A) and The Meadows Group (TMG), a small, minority-owned, woman-owned, HUBZone, and 8(A) firm, have agreed to partner under the Department of Defense Mentor Protégé Program. The agreement was accepted by the Defense Contracting Management Agency (DCMA) on July 2, 2007.

MM&A, a small HUBZone firm with over 30-years of experience and successful execution of over 70,000 projects, was approved as a mentor by the DOD in January of 2005, one of the first small businesses to pursue Mentor status in the United States.

Despite MM&A's status as a small business, MM&A's staff of over 200 professionals located in 12 offices across the Eastern United States will enhance TMG's environmental expertise, provide international business experience, and improve their capabilities to execute federal contracts.
